These instructions should not appear in your exported file.

Poster Size: 12 inches tall X 18 inches wide

Please note, all critical text and art should appear within this gray area. Any content outside this area will be trimmed or hidden when printed. If you would like your artwork to extend to the very edge of your finished book then pull your artwork edge to the red bleed line.

Be sure to review your exported JPEG or TIFF to ensure it appears correctly and without these instructions.
